

Minutes of 'Think Tank' Meeting

Friday 11th October 2019

Present: Emma Wilkinson sitting as Chair, Mrs Immy O'Keeffe

Apologies: None

Matters Arising from the previous meeting: - First meeting this academic year

Matters raised from the suggestion box –none

Matters from the floor:

Feedback from new parent

EW requested feedback

Predominantly happy with how child has settled in. Experience has been very positively so far.

At preschool has had a more detailed feedback about how the day had gone. Possibly improved feedback from Rec/Y1 this would be only in Rec/Y1. Has no real feedback from child and ideally would like more from Wrens class. Is there a way that feedback could be given daily? EW suggested twitter update daily. IO'K would like there to be a parent log in on the website and only available to the parents. A couple of times a week teacher updates what has been happening in the classroom. As a new parent this is what has stood out as a lack of awareness of what is happening in the classroom. Winterslow have a similar website with the ability to access class pages to gain info and there is 2 way communication.

Marketing and communication – has knowledge of digital marketing and would be very keen to offer her experience and expertise. If service send a wire frame IO would be happy to look at and make suggestions and make it user friendly.

Size of the year group is still a concern for Mum. Possibly disjointed friendships. EW discussed how pupils interact with each other.

The next meeting will be advertised in the Pitton News.

NOTE FOR PITTON NEWS:

PARENT FORUM

This is an open to all parents for their comments and for discussion of items of interest or concern to the whole school community. These meetings happen at three

times a year
