What is significant about polar exploration?

Spirituality Question:
Have people spoiled a good Earth?

Key Vocabulary		
Present: today, now	map	destination
Past: years ago, decades ago	Continents - Asia, Africa, North America, South America, Antarctica, Europe, and Australia (or Oceania)	Ernest Shackleton Robert Swan OBE
Future: tomorrow's	Oceans - Pacific, Atlantic, Indian, Southern (Antarctic), and Arctic	Key features
travel	journey	function

(Re-cap) Where in the world are these places?

Where is the North Pole and South Pole?

What is polar exploration?

Who were Ernest Shackleton and Robert Swan OBE and what were they known for?

How has polar exploration changed?

What are the key features of a vehicle?

How does my design move?

How is my design adapted to the snow?

Engage: go on an expedition!

What physical and human features can I see on my journey?

Challenge: Present our designs and models to another class or groups of experts. Explain the history of exploration and how being a good geographer helps explorers.

<p>Know of</p> <ul style="list-style-type: none"> Can use world maps to locate seven continents and five oceans Can locate the UK and name it's countries Can use aerial photographs to identify physical and human features of locations Can use basic geographical vocabulary Can describe compass directions Can recall the historical events of polar exploration and place these on a timeline Know what a range of polar exploration vehicles looked like and describe their key features <p>Know how</p> <ul style="list-style-type: none"> Can ask and answer questions to show that I understand events in the past Can use a timeline to explain where significant events fit in history Can use historical vocabulary to explain what happened in the past and how we know Can select materials and tools to achieve a purpose Can draw and label a design of a vehicle Can join materials together Can talk about what worked well and what would improve your vehicle
