

Dear Children, Parents and Carers,

### Swimming lessons 5 & 6

Swimming lessons are due to commence in T6, after half term, on a Thursday afternoon. Consents will be circulated. We will be unable to run these unless we have parent volunteers for transport, please do indicate on the form if you are able to help on any of the days.

### Friends of Pitton School (FOPS) Meeting Tuesday 13th May 8pm at The Silver Plough

Please join the FOPS committee to discuss the upcoming events and fundraising priorities for the next year. It will be an informal chat; if you have ideas, want to be involved in any way, or have future ideas, please join us! See you there!

### Road closures

There are a number of road closures this month, I have included the information we have received within Pitton News. Please take these into account when planning your journey to and from school.

### Mini Marathon

If you have signed up for the Mini Marathon, please find further information within Pitton News.

### SATS Breakfast

A reminder that Y6 are invited to attend SATS breakfast with Mrs Wilkinson next week, Mon-Thurs from 8:30am.

Best Wishes,

Emma Wilkinson

## Carriageway Resurfacing Pitton Village, May 2025

Dear Sir/Madam:

As representative for Wiltshire Council, I write to inform you of carriageway resurfacing works programmed for Pitton Village.

**Slate Way - 21<sup>st</sup> May**

**High Street - 21<sup>st</sup> & 22<sup>nd</sup> May**

**White Way & White Hill - 23<sup>rd</sup> to 30<sup>th</sup> May (excluding Bank holiday weekend)**

These works will involve the resurfacing of several sections of road within and outside the village, locations as above and shown on the map overleaf. It will also involve the installation of new road markings and the adjustment/replacement of carriageway ironwork where required, which will be carried out at a later date.

The works will be undertaken **between the hours of 09:00 to 15:00hrs (16.00hrs on Slate Way)** to minimise disruption, however, on occasions, works may over run due to uncontrollable circumstances such as plant breakdowns, if weather conditions are unfavourable, or occasionally we discover the need for additional repairs once the work has started. The roads will be open as normal outside of these hours.

To ensure that health & safety requirements are met, and to maintain a safe working area for the contractor, highway users & residents, the works will be carried out within a **temporary road closure** with a signed, designated alternative route.

**Access to properties and businesses will be maintained as far as it is safe and reasonably practicable to do so. However access/egress may need to be via the diversion routes, so please allow more time. Access to the school will be maintained via these routes.**

There will be Traffic Management Operatives onsite to provide you with assistance, should you have any queries regarding access/egress.

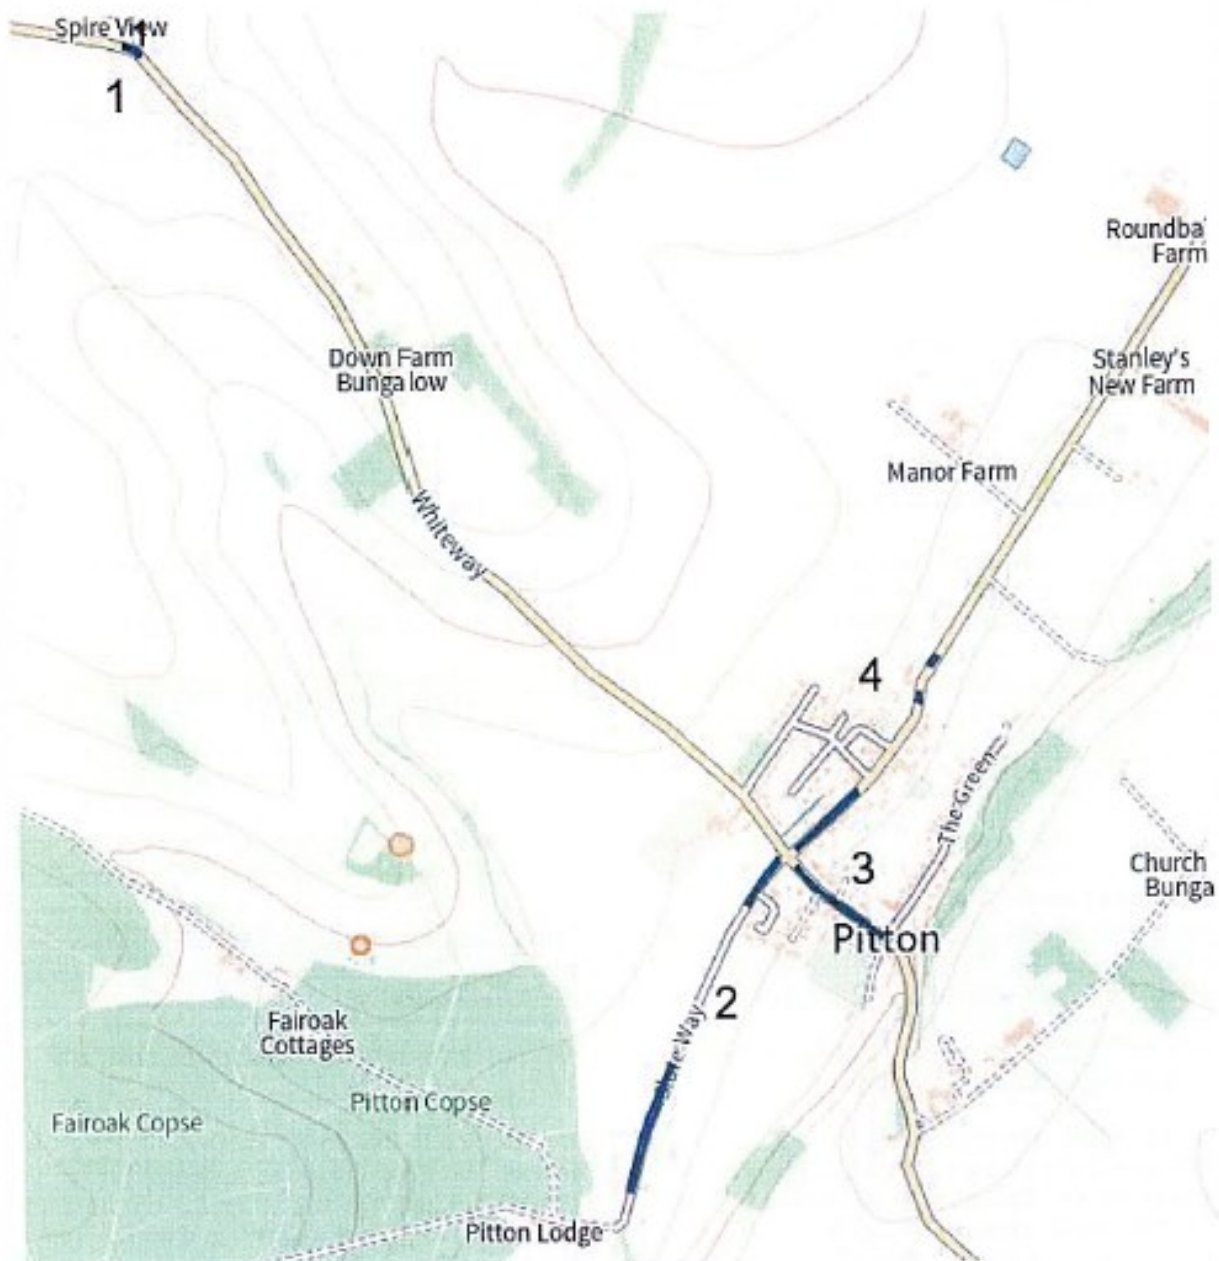

I would like to take this opportunity to apologise for any inconvenience these works will cause but trust you will appreciate the necessity for these essential works to maintain Wiltshire's highway network. Should you require any further information in advance of the works please do not hesitate to contact me on the details shown above. If you wish to discuss the works whilst they are in operation, please speak to a member of the workforce who will direct you to the appropriate person.

Yours faithfully

*Kevin Robbins*

Dear Parents

**Salisbury Schools Mini-Marathon: Saturday 17th May – Laverstock Schools' Site**

**Please carefully read the details for this event:**

**Parking:** Please allow plenty of time for parking and consider different options due to the volume of traffic generated by such a huge event with 1300+ runners. There are many issues surrounding parking in Laverstock so consider car sharing. Car parking is available at £2.00 cash per car at the Laverstock and Ford Social Club. Please note that cars parked at the Social Club are parked entirely at the owner's risk. It may be an option to use the Park and Ride car park on the London Road. Parents should **not park** in the secondary schools, One Stop, along Church Road or in Elm Close.

**Access:** Please access the race start on the playing fields either through St Andrew's Primary School site or through the main access route adjacent to the entrance to Wyvern St Edmund's.

**The Course:** The course is likely to be rutted in many places. It is therefore vital that all those taking part wear sturdy trainers on the day. Please ensure your children take extreme care when running on the course.

**Event details:**

- Your child needs to be at the venue at least **30 minutes before his/her race** to allow for registration and warm up. Marshalling takes place 10 minutes before the allocated race time.
- All runners and spectators must access the field/race area via the pathways, which will be signposted on the day. You should not enter via the secondary schools' buildings. Children and parents should also be advised that use of the secondary schools' ground is at their own risk.
- On arrival, please find your school gazebo/meeting point and ensure your child registers with the designated teacher/parent.
- **Please ensure your child stays with the school group until he/she has raced.** Once completed, you are free to take your child to watch the rest of the races, but please inform school staff that you are doing so. It is very busy and we need to ensure **your child is either supervised by school staff or parents.**
- Adult runners need to arrive at the start line by 0910. The top three male and female runners will be celebrated at the presentation ceremony
- Please bring plenty of water to drink for after the race. Refreshments can be bought on site.
- Children should wear school PE kit for the race and ensure laces are done up securely. Please do not let them race in sweatshirts and tracksuit trousers as they will overheat
- Please fasten your child's number to the **FRONT** of their t-shirt using 4 safety pins ensuring any school logo is clearly visible. Children cannot run without their number.
- There are no changing facilities or shelter from the rain, so please come prepared
- Portaloos will be on the school field
- No dogs will be allowed on the site
- All parents are politely requested to remain the school side of the orange fencing and wait this side until your child has come out of the results tent. Parents, you should not be running alongside your child at any point. We have Sports Leaders from Wyvern St-Edmund's and Sarum Sisters in support.
- St John's Ambulance is in attendance. If your child is injured, then listen to announcements and arrange to meet at the St John's Ambulance vehicle situated close to the marshalling tent.
- Please all stay for the presentations after the races have finished to support your school. We will aim for 1200 outside the marshalling tent.
- Music is kindly provided by Salisbury Radio
