

## NOTICES & REMINDERS

- Would any parents be able to support with transport on the 23<sup>rd</sup> April for the Kites trip to Oxford? You would be welcome to either join pupils at the museum or enjoy Oxford until we return at 1:30pm. The current cost of transport is making the trip £65 per pupil, which is obviously not feasible, so any support would be greatly appreciated in order for it to proceed.
- Mrs Wilkinson received a letter this week requesting that the summer uniform for girls include shorts. It is such a lovely idea to allow shorts as an option for the summer uniform and we can certainly see how this would be beneficial to our community. The letter outlined that many girls prefer to wear shorts rather than a skirt especially those who enjoy physical play, handstands and cartwheels! We have included a few options that all the girls in school could consider between now and October Half Term (when we move back to our winter uniform).

- Today is offers day for primary school places starting Sept 2026. Please do remember to log on and accept your offers if you are happy with them.

Best wishes,

Pitton Staff Team

This term's value is Service

Pupils at Pitton Primary Schools show the Christian value of service by acting to help others without expecting any reward, reflecting Jesus' example of loving kindness. Examples of this include helping to keep the school tidy, supporting classmates, participating in charity work, caring for the environment, and acting as playground buddies.
