

NOTICES & REMINDERS

- 15th May is Clearbury's house treat which is a non-uniform day.
- It's just over 2 weeks until the Pitton Sponsored Walk. This is the biggest fundraiser for FOPS of the year and is a fabulous fun afternoon for all the children.
- Please do complete the Cleverchefs feedback form (shared on Dojo) in regards to the current lunch provision at the school in order to help shape future menus.
- The 4th June at 3:30-4:30pm will be a workshop for parents on the Curious City Curriculum, presented by teaching staff. If you have children in multiple year groups, please do not worry as the information will be the same for all years. Pupils will need to be supervised at all times or booked in to after school club.
- The Mini Marathon is this Saturday. Mrs Wilkinson will be attending but a reminder that pupils remain your responsibility as she will be taking them to and from the start and finish line. Thank you to Mr Cooper for providing a running club. Race packs will be going home today.
- Reports will be released on the 10th July.

A special thank you to all the Y6 pupils for their amazing attitudes and their hard work during their SATs week this week. Also, a thank you to Mrs Safe for organizing and hosting the SATs breakfast every morning.

Best wishes,
Pitton Staff Team

This term's value is Service

Pupils at Pitton Primary Schools show the Christian value of service by acting to help others without expecting any reward, reflecting Jesus' example of loving kindness. Examples of this include helping to keep the school tidy, supporting classmates, participating in charity work, caring for the environment, and acting as playground buddies.

Pitton C.E Primary School

16th June 2026 2-3pm
19th June 2026 9:30-11am
Summer Open Days for Reception 2027

We also have limited availability for in-year transfers.

Come and explore our vibrant classrooms, meet our dedicated staff, and see what makes our school a wonderful place to learn and grow.

Our mixed year group classes offer numerous benefits, fostering social, emotional and academic growth in our students. Beyond our spacious classrooms and hall, our extensive grounds offer an ideal place for your child to thrive.

Please contact the office to book.
